

DEAR COLLEAGUES!

We invite you to take part in the **1st International Scientific and Practical Internet Conference "Nuclear Potential and Possible Threats to the Modern World"** devoted to exploring critical issues surrounding nuclear capabilities, challenges and potential threats in today's global context.

Topics:

- nuclear weapons proliferation, arms control and disarmament
- emerging technologies and nuclear threats
- nuclear terrorism and security
- public awareness and education
- ethical and moral aspects of nuclear weapons
- nuclear deterrence and strategic stability
- humanitarian consequences of nuclear weapons and role of international organizations
- nuclear energy and climate change
- nuclear policy, legal issues and decision-making
- preventing nuclear accidents and near-misses
- the role of academia and think tanks
- cybersecurity and nuclear infrastructure
- psychological aspects of nuclear threats
- public health and nuclear disasters
- future scenarios and risk assessments
- other general and special issues (the author notes).

CONTACT INFORMATION

**Coordinator: PhD in Public Administration
Valerii Marenichenko
E-mail: wayscience@ukr.net
Journal Website: <http://www.wayscience.com>**

We offer all scientists, scientific and pedagogical staff, doctorates, postgraduate students, students and other people who are interested in these issues to take part in the conference.

For publication of paper you should send materials by email to the editor (to 27 October 2023):

1. It is necessary to send the paper and the author's reference to the journal's editorial office at wayscience@ukr.net. The file names must match the author's last name. For example: Shevchenko's paper, Shevchenko's reference.

2. After a successful review, the editorial staff of the journal responds with the following information: "Paper is accepted".

3. The next step is to pay an organizational fee and send a receipt on payment. For example: Shevchenko's payment.

4. Then we will publish materials of the conference on the website <http://www.wayscience.com> and we will send it by e-mail to the authors. In addition, each participant will receive electronic certificate.

REQUIREMENTS FOR PAPER

The author is responsible for the quality and content of the paper. Printed materials are provided in MS Word format.

Paper should be prepared in English or Ukrainian or Russian (from 1 to 3 pages of text, A4 format in 1 interval, 12 in Times New Roman font, 20 mm in all sides). Detailed registration information at <http://www.wayscience.com>
